Langley World

Dear Parents, Carers & Friends

We have reached the end of the school year and what a year it has been. We have been very busy especially towards the end of term in these last few weeks.

Thank you for coming to support the events whether they be the summer fair, sports days, assemblies or Nursery graduations. They have been lovely and I hope that you have enjoyed them.

Thank you to all those of you who have answered the parent survey. It will close on Monday morning so you still have time. I will feedback to you the outcomes and any actions we take.

Thank you to all of the Langley team for your work this year. The children reap the benefits of such a committed group of staff no matter what their role in school is. I hope they all have a great break over the summer.

I wish you and all of your families a happy summer holiday whatever you are getting up to.

See you in September!

Yours sincerely

Mr P Higgins

Goodbye and Good Luck Year 6!!!

As you reach the end of your journey in Year 6, we want to say how incredibly proud we are of each and every one of you. You have grown not only in your learning, but also in confidence, kindness, and resilience.

It has been a joy to watch you develop into such thoughtful and capable young people, ready to take on the exciting challenges ahead. While it is hard to say goodbye, we know that you will carry

the memories, friendships, and lessons from your time here wherever you go.

Keep believing in yourselves, aiming high, and being the amazing individuals we know you are.

We wish you all the very best for the future—you will always be a valued part of our school community.

End of day new release exit for 3JG in September

To aid with congestion, 3JG (Mrs Gloster's class) will be releasing children at home time from the KS2 playground, through the year 3-4 playground door. Parents/carers will need to walk through the gates, past years 5 and 6 doors and towards the middle of the playground near the table tennis tables.

3JL will continue to release near the office onto the car park.

Year 6 only – have you applied for a Secondary School Place – Deadline 31 October 2026

The year 6 process for choosing a secondary school for September 2027 has now started. If you are unsure which school to apply for we recommend you attend the open evenings of several schools so you can get an idea of what would best suit your child. Open evening details can be found on the secondary school websites. Many are taking place within the first 2 weeks of the Autumn term.

Please remember you **MUST** apply by the closing date of 31 October 2026 and we advise you list at least 3 schools in order of preference as some schools may have more applications than places available.

To apply, you will first need to visit www.sandwell.gov.uk/schooladmissions, you will then need to follow the instructions on the website. Please note you will also be asked to sign into your MySandwell account which is free to set up if you do not already have an account.

Langley World

Applying online is easy and secure – do not worry, if you don't have a computer at home, you can also apply from one of Sandwell's many libraries. You may also apply from a mobile device (e.g. smartphone or tablet). If you have any problems trying to apply, please contact the school office and they will try to help you.

HAF Vouchers

Sandwell HAF (Holiday Activities and Food) vouchers have now been sent out to families who are eligible for free school meals due to a low household income. You'll need this code to book your child's free holiday activities.

As a reminder, Sandwell Council will no longer be providing supermarket vouchers for families entitled to free school meals, so the HAF programme is a great way for children to access fun activities and nutritious meals during the holidays free of charge.

There are lots of exciting options to choose from across Sandwell, so to find out more and book activities for your children, please visit: holidayactivities.sandwell.gov.uk/about/.

Outstanding Breakfast Club, Afters School Club and Dinner Money

We would like to inform all parents and carers that all Breakfast Club and After School Club sessions taken this week have now been added to ParentPay accounts.

Please take a moment to review your balance and ensure that any outstanding payments for Breakfast Club, After School Club, and dinner money are cleared in full before 1st September 2026.

We kindly remind you of the importance of keeping accounts up to date and appreciate your continued cooperation and support.

If you pay via the tax-free childcare system for childcare, please ensure you email the school office each time you make a payment enquiries@langleyprimary.com detailing:

- your child's name and unique number
- the date payment was made
- the items your payment covers important – you can only pay for Breakfast, Afterschool provision and lunchtime Nursery care fees

- how the money is to be split between clubs if paying for more than one club

This will alert us to look out for your payment and enable the office to then credit your child's ParentPay account accordingly. Please note it may take 7 school days for your ParentPay account to be updated as this has to be done manually.

Please note without these details we will not be able to locate your payment and your ParentPay account will fall into arrears.

Thank you and well done!!

Nursery

Can I just say a big thank you to all the nursery parents that came to watch the graduation. The children have been so excited to perform and thank you for your continued support throughout the year. I hope you all have a lovely summer break!

Reception

The children have had a wonderful week celebrating each other's talents and putting on a show for our class friends. What a lovely way to end the year! Thank you to all the children and parents for making this a special year and we will see you in September.

Year 3

We just want to say a big well done on a fantastic year. Make sure you all come and say hello in September and have a wonderful summer. Let's hope the sun keeps shining.

Year 4

Well done this year, Year 4 you have all been amazing and worked so hard and make sure you go and enjoy the summer. Mr Hampton wishes to thank each of you for making his final year here at Langley so enjoyable and wish you all the best as you continue to move through the school and into the future. Keep up the hard work!

Spanish

This term, our students at Langley have learnt about Spanish speaking artists such as Pablo Picasso in Y5, Salvador Dali in Y6, Frida Khalo in Y4 and Velázquez in Y2. Children have created their own pieces of art work based on the different art styles like Cubism, Surrealism and Realism and it was really rewarding to see how creative and artistic our children are.

17 July 2026

Langley World

Also, to engage our kids to explore a bit more about Spain and its art, food and traditions, Mrs. Garcia has provided all year groups with booklets to get busy and have fun during the Summer break.

In addition, families at Langley can enjoy for free learning and playing a wide range of games in Spanish and other languages on our school platform www.linguascope.com

Enjoy the Summer and have fun!

Important Dates

Date	Time and Event
1 Sept 2026	School Closed Teacher Training Day – no children
2 Sept 2026	School Closed Teacher Training Day – no children
3 Sept 2026	School opens 8.40am – breakfast club as normal
