

# Iconic Italy

Physical features

West Midlands-  
Region

## Where is Italy?

Italy is the boot-shaped peninsula in Southern Europe. Campania is in Southern Italy just below Rome.

## Where is my region?

A region is an area with certain characteristics. In the United Kingdom there are nine regions with ours being the West Midlands.

## What are physical features?

Physical features are things that you see all around you and would be there even if there were no humans around. These can include seas, mountains and rivers.

## What are human features?

Human features are things that have been built or made by humans. These can include houses, cars and roads.

## Human features

| Key Vocabulary    |                                                                                        |
|-------------------|----------------------------------------------------------------------------------------|
