2. What You Shared: A Flavour of Parent Feedback

A. Renewed Community Spirit & Engagement

Parents across the year groups warmly welcomed the return of whole-school events, such as the new Summer Fayre, Sports Days, class assemblies, and holiday celebrations. Feedback noted that the school feels noticeably happier, more welcoming, and more rooted in the local community.

B. Dedicated Teaching & Support Staff

Families expressed high praise for the warmth and dedication of teachers, support staff, and office personnel. Parents highlighted how staff recognise each child as an individual, fostering confidence, building positive learning attitudes, and celebrating achievements.

C. Strong Special Educational Needs (SEN) Support

Parents of pupils with additional needs highlighted the inclusive atmosphere, praising the patience, tailored interventions, and close communication provided by the SEN and teaching teams.

D. Teaching

Specific praise was given to core curriculum delivery, including phonics teaching in early key stages, mathematics in upper key stages, and the high-quality transition work carried out by Year 6 staff to prepare children for secondary school.

4. Parent Volunteers & Future Partnership

We were delighted by the positive response from parents willing to support school events, volunteer in classes, or lead fundraising initiatives.

We will be looking at a “You said, we did” response to the survey in the autumn term.

Thank you for your continued support and partnership in making Langley Primary School a place where children thrive!
